

HEALTH & SAFETY POLICY

Inter Q&A Services Lda (IQAS) is a company focused on providing Quality Control services that will achieve or exceed our customers' expectations towards a total **Health & Safety Commitment – enable each employee to do their job right in a safe and healthy place.**

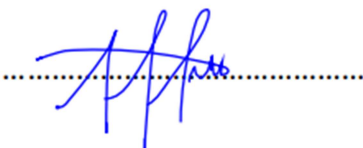

To achieve this goal IQAS:

1. Shall commit to an implementation of a strong Health & Safety Management System in compliance to the requirements of ISO 45001-2018 -focus on hazards identification and elimination, employee involvement, management commitment, emergency preparedness.
2. Will apply Risk based management and process focus with inclusion of all relevant interested parties and encompassing all the significant hazards– full compliance with any applicable regulations and Health & Safety risks reduction.
3. Will foster a strong and speedy rotation of the PDCA cycle supporting Continuous Improvement (apply consistently the 5 principles of Kaizen: know your customer, free flow of processes, go to the spot, empower people, be transparent)
4. Will focus on prevention of work-related injuries and ill health for all our employees worldwide
